

# CHALET LES BRÉVINS

## Five-star ski chalet for 12 with hot tub, hammam, pool table

Enjoy great skiing in the French Alps, then watch the sun set from the hot tub on your terrace

### About Chalet Les Brevins ...

Enjoy complete peace at this sumptuous five-star chalet near the charming village of Manigod, in the French Alps.

It's a perfect retreat, with a magnificent panoramic view of the Etale valley and the Aiguille, which is perhaps best enjoyed from the hot tub on the covered terrace. The chalet's other terraces also offer great views, of Tournette, Mont Charvin and the Sulens valley.

The small paved road which leads to the chalet is well-maintained and regularly cleared of snow, but in winter you will need to fit your car with snow tyres and good-quality chains. Parking is a few steps above the chalet, to preserve its rural character.

This dream location is just a few minutes drive from Manigod village, from where you can easily reach the ski stations of La Croix Fry and La Clusaz, and the nearby town of Thônes.

The owners have another chalet nearby, and are available at weekends to answer your questions and in the winter, during bad weather, to transport your luggage. Also available on the site is a charming wooden "mazot" where there is a comfortable bedroom (please note, there is no bathroom in the mazot). Don't hesitate to contact the owners if you would like to use this room during your stay.
